For a personalized offer please contact our sales team

The rates do not include VAT.

Prices include processing, printing, finishing and delivery to headquarters of ROMEXPO SA. Prices do not include assembly / disassembly.

Payment will be made entirely in advance, according to the proforma invoice issued by Romexpo SA, at the exchange rate of the day as it appears on the National Bank of Romania website, by payment order within the time specified on the invoice.

The beneficiary agrees to provide ROMEXPO SA with all the technical details needed to execute the work, at least 10 days before the execution deadline requested.

Reception will be made at ROMEXPO SA.

Finalized works will be undertaken by the beneficiary, based on the reception protocol signed by both parties.

Should the final product not meet the requirements of the beneficiary (not falling within the parameters described), refusal will be made on the basis of a statement of facts, which will be signed by the beneficiary and the delegate from ROMEXPO SA.

ROMEXPO SA will consider any information received from the beneficiary as confidential and undertakes not to transfer them to third parties without prior written approval of the beneficiary.

The works realized will be used only by the beneficiary, as his property. ROMEXPO SA is neither entitled to use executable works or copies thereof for other purposes, nor to send them without the approval of the beneficiary.

ROMEXPO SA will refund, compensate or redo non-compliant work, should it be directly responsible for the lack of/ damage of the specified product.

The beneficiary shall bear the costs of recovery work required in the event that he is directly responsible for inaccuracies of the works ROMEXPO SA executed.

ROMEXPO SA will be held financially responsible, should the deadline given by the beneficiary not be met, having to pay penalties calculated as 0.15% of the total amount of the firm order, per day.

The files sent by the beneficiary must meet the following requirements: 1/1, CMYK, .tif at 150 dpi or .cdr (convert to curves)

Sizes: Length = _____ cm   Height = _____ cm
